

# Star Alliance Air Ticket redemption

In order to find out how many LifeMiles you need to redeem a ticket in Star Alliance carriers, please, follow these steps:

1. Find the origin region of your trip in the first column, then identify the cabin class (Economy, Business or First) in which to wish to fly on.
2. Find the destination region of your trip in the first row.
3. Pinpoint the place where your origin and destination cross to get the amount of miles needed for the trip (the mileages on the table are for round trip flights, if you want to redeem a one way ticket, you'll need 50% of the miles).
