2. Please register first no later than the date of departure for Elite Membership Upgrade.
3. Members can be only upgraded once, and the upgrade is depended on the cabin of the first taken flight. The upgrade will be automatically operated when the flight record is transmitted into the system in one week.
4. This special upgrade is only available for booking through Hainan Airlines website (www.hainanairlines.com) and pay online, bookings elsewhere are not capable of participating.
5. Upgrades will become void in case of rebooking or reissuing tickets. And upgrade will be available if the newly booked ticket is available for upgrade.
6. This special membership upgrade is not available for Asian or other short flight routes.
7. The validity period of Elite membership cards is from the day after upgrade until the following month of the second year. This Elite membership card enjoys the same upgrading and maintaining requirements except point overdraft and free upgrade coupons. The member can maintain or upgrade the elite status again if ordinary standards of maintaining or upgrading are reached.
8. Hainan Airlines reserves the right to modify or renew the above Terms and Conditions regarding the use of this website.
