# Declaration of consent for nationals of the United States of America and holders of a S. A. R. Hongkong passport for enrollment with EasyPASS-RTP

- I will voluntarily participate in the Registered Traveler Program, herein after called EasyPASS-RTP, as described in more detail in the accompanying information.
- I am aware that my personal data from my valid, machine-readable travel document (eMRTD) and the information from the attached questionnaire will be stored and used in the process.
- The MRTD-data stored in an EasyPASS-RTP database will be used exclusively to enable me to cross the border from and to Non-Schengen-Area using the semi automated border control system EasyPASS on the airports where it is implemented. A query of this data in another context of police tasks does not occur.
- I agree to a regular review of my personal data in the police information system (always enclosed with the entry and exit).
- I can countermand my participation any time with immediate effect and without giving any reason, without any incurring resulting disadvantages.
- **Note:** In accordance with Article 8, paragraph 3 of Regulation (EU) 2016/399 (Schengen Borders Code) nationals of third countries are subject to a thorough check at the Schengen external border, which will be conducted upon entry and exit.

## Privacy Agreement on Data Protection

- Responsible for the collection, processing and use of data is the Federal Police Headquarters, Heinrich-Mann-Allee 103, 14473 Potsdam, e-mail: [easyypass@polizei.bund.de](mailto:easyypass@polizei.bund.de), which also ensures the necessary data security.
- The personal data of the applicant/participant in the EasyPASS-RTP process are only used by the Federal Police and only to carry out the necessary measures in this procedure. For the process unneeded data will be deleted immediately.
- No personal data will be transmitted to other agencies.
- The request by the authorities of the partner countries in the context of registration for their RTP, if a person is registered in EasyPASS-RTP, shall be answered with yes or no.
- As soon as an individual participation or the proceeding is terminated, all data stored in the context of EasyPASS-RTP will be deleted immediately or rendered anonymous in such a manner that a reference to the person is no longer possible.
