Provided your account is in good standing, points can be earned on eligible purchases less returns and other credits. <sup>4</sup> These offers are only available to new American Express® Aeroplan®\* Cardmembers (‘Cardmembers’). For current or former American Express® Aeroplan®\* Cardmembers, we may approve your application, but you will not be eligible for these offers. If you receive points in error, we reserve the right to deduct them from your points balance. Account must be in good standing. Interest charges, annual fees, other fees and cash equivalent transactions are not purchases and do not qualify for Aeroplan points. All deductions for returns made on eligible purchases will be calculated at the earn rate in effect at the time of the return. This means that the points deducted from your points balance may be different from the amount originally earned. Points may be deducted if returns result in the required spend threshold not being achieved. Please allow up to 8 weeks after earning your Aeroplan points for your Aeroplan account to be updated. To qualify for these offers, an eligible application must be received by August 3, 2021. American Express reserves the right to accept applications after this date but you will not be eligible for these offers. For example, if your monthly billing period is from August 15 to September 14, a purchase made on September 14 (transaction date) and posts on September 15 (posting date) will not count for eligible spend for that month and will count towards spend in the next month's billing period. Earn 1.5 points for every \$1 of eligible purchases at restaurant, quick service restaurant, coffee shop, and drinking establishments in Canada, and delivery of food in Canada as a primary business, but not including groceries. Interest charges, annual fees, other fees and cash equivalent transactions are not purchases and do not qualify for Aeroplan points. If you receive points in error, we reserve the right to deduct them from your account. Account must be in good standing

<sup>7</sup>From time to time, eligible Basic Aeroplan Cardmembers can get access to preferred pricing, which means they can book flight rewards for even fewer points. The number of points required to book a flight reward is determined by several factors, including, but not limited to, holding an eligible Aeroplan credit card and a member logging into their Aeroplan account, along with other rules as determined by Aeroplan in its sole discretion.

<sup>8</sup>Basic Cardmember is responsible for repayment of all charges. Account must be in good standing. An Additional Card is a supplementary card. Supplementary Cardmembers must be at least 13 years old. Maximum of 9 supplementary cards per account. Only Additional Cards with an annual fee are eligible for Air Canada benefits.

<sup>9</sup>Basic Cardmembers who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 200,000 Status Qualifying Miles (SQM) from the prior qualification year to the next qualification year. This benefit applies when the member qualified for Aeroplan Elite Status by earning the required SQM or Status Qualifying Segments (SQS), as well as the required Status Qualifying Dollars (SQD), in the prior qualification year. If the member has been granted complimentary status, as determined by Air Canada, that is higher than the status they would have earned via their Status Qualifying balances, the rollover amount will be based on the status they would have earned otherwise (if any), and not the granted status. SQM rolled over from the previous qualifying year will apply towards status qualification for the following qualifying year. Rollover SQM will be deposited directly into the member's Aeroplan account no later than March 30 of any given year, provided the member earned at least Aeroplan 25K Status based on their Status Qualifying balances from the prior qualifying year. Rollover does not apply to SQS or SQD. Benefit is only available to Basic Cardmembers and does not apply to Supplementary Cardmembers. In the event the card is changed to a different product or the account is closed, regardless of reason for closure, any SQM rolled over as a result of this benefit will be removed from the Aeroplan account, and any status earned as a result of these rolled over SQM may also be rescinded. SQM do not count towards Million Mile Status and are not redeemable towards Aeroplan rewards. Where a Basic Cardmember is eligible to roll over SQM under another Aeroplan credit card, the total cumulative roll over of all SQM towards Aeroplan Elite Status cannot exceed the maximum of 200,000 SQM. All Aeroplan Elite Status conditions apply and can be reviewed at [www.aircanada.com/elite-termsandconditions](http://www.aircanada.com/elite-termsandconditions).

<sup>10</sup>Basic Cardmembers who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 50 eUpgrade credits received in the prior status year to the next status year. eUpgrade credits issued on a promotional basis, as well as those already rolled over from a previous benefit year, are not eligible for this benefit. Rollover eUpgrade credits will be deposited directly into the member's Aeroplan account no later than March 30 of any given year, provided the member holds Aeroplan Elite Status at that time, and held Aeroplan Elite Status in the previous benefit year. If the card is changed to a different product or the account is closed, regardless of reason for closure, any unused, rolled over eUpgrade credits will be forfeited and removed from the member's eUpgrade account. Benefit is only available to Basic Cardmembers and does not apply to Supplementary Cardmembers. Where a Basic Cardmember is eligible to roll over eUpgrade credits under another Aeroplan credit card, the total cumulative roll over of all eUpgrade credits cannot exceed the maximum of 50 eUpgrade credits. All eUpgrade conditions apply and can be reviewed at [www.aircanada.com/eupgrade-termsandconditions](http://www.aircanada.com/eupgrade-termsandconditions).

<sup>11</sup>Basic Cardmembers will receive one (1) Annual Worldwide Companion Pass after spending more than \$25,000 on net purchases (less any returns, credits and adjustments) posted to the Basic Cardmember's card account in the 12 months prior to their Card anniversary date. The pass will be deposited into the Aeroplan account 8-10 weeks after the Card anniversary date. On each Card anniversary date, the calculation of the annual net purchases resets to zero and Basic Cardmembers must qualify again in the new annual period. Purchases transacted or posted on the Card anniversary date will be included in the calculation of net purchases for the next annual period and not the previous annual period. The pass entitles a companion to accompany the Basic Cardmember upon the purchase of a fixed base fare (plus taxes, fees, charges and surcharges), when the Basic Cardmember books a published economy fare on a flight marketed and operated by Air Canada, Air Canada Rouge or under the Air Canada Express brand. Valid against the purchase of one round-trip fixed base fare (plus taxes, fees, charges and surcharges) for a companion when travelling on the same itinerary and booked at the same time as the Basic Cardmember. Passes are valid for 12 months

from the date issued. The pass is valid towards a new booking only, and not valid on existing reservations. Bookings must be made directly with Air Canada, via [aircanada.com](http://aircanada.com), the Air Canada Mobile App, or through the Air Canada call center ("Air Canada Reservations"). Maximum of one companion pass may be used per booking. If one-way travel is booked, the full base fare will be charged, the pass will be deemed fully used and the return portion of travel will be forfeited. Total pricing varies based on itinerary booked. Basic Cardmembers may use the pass only once on their choice of travel: (i) within Canada and continental US (excluding Hawaii) for \$99 CAD base fare (ii) to/from Hawaii, Mexico, Central America, and the Caribbean for \$299 CAD base fare, (iii) to/from South America, Europe, Middle East, and Africa for \$499 CAD base fare, and (iv) to/from Asia, Australia, and New Zealand for \$599 CAD base fare. In addition to the purchase of a fixed base fare, the companion will be responsible to pay all applicable taxes, fees, charges and surcharges that apply above the companion's base fare. All travel must originate or terminate in Canada or the United States. Valid for travel at any time with no blackout periods. Also valid against the purchase of fares on sale. The companion will be booked into the same fare brand as the Basic Cardmember and will receive all applicable benefits and services associated with that fare brand. The pass may not be used against the purchase of premium cabin fares, or in conjunction with Aeroplan flight rewards, Flight Pass, group travel bookings, Air Canada Vacations bookings, or any other discounts or promotion codes. The pass must be redeemed at the time of purchase, and if multiple companion passes are available in association with the same Aeroplan number, the pass that would expire first will be used. Booking must be made before the pass expiry date, but travel may occur after the pass expiry date subject to flight schedule availability at the time of booking. Pass may only be used as described, cannot be transferred and has no monetary or exchange value. Changes or cancellations are allowed according to the fare rules of the fare purchased. Changes and cancellations must be made at the same time for both the Basic Cardmember and the companion, and failure to do so may result in the companion pass being forfeited. If during a change or cancellation the pass is reinstated in the Basic Cardmember's Aeroplan account, the original expiry date will take effect and the pass may then be considered expired. In the event of a change or cancellation, travelers are required to pay all applicable fees based on the fare type purchased for each ticket, plus the difference in fare, if applicable, and all taxes, fees, charges and surcharges that apply above the base fare. The Basic Cardmember's account must be and remain active (not cancelled) and in good standing in order to receive and retain the reward. Companions who are members of Aeroplan or other partner frequent flyer programs are eligible to accumulate points and/or miles for the ticket issued in exchange for the companion pass according to conditions of the fare brand purchased. Aeroplan Elite™ Status benefits and upgrades are applicable if the traveler holds appropriate status and the fare purchased allows. Air Canada reserves the right to apply additional fees for bookings made via Air Canada Reservations. Unused passes will automatically be cancelled on the date the card account is cancelled, regardless of reason for cancellation, or if the card account is changed to a different product. Air transportation services on Air Canada are subject to Air Canada's General Conditions of Carriage & Tariffs ([www.aircanada.com/conditionsofcarriage](http://www.aircanada.com/conditionsofcarriage)) at the time of booking.

<sup>12</sup> For every \$5,000 or \$10,000 (depending on the card product) in eligible net purchases (less any returns, credits and adjustments) charged to the card and posted to the card account, Basic Cardmembers will earn 1,000 Status Qualifying Miles (SQM) and 1 Status Qualifying Segment (SQS) which will be deposited in their Aeroplan member account and appear on the next card account billing statement. Please allow at least three (3) days after being earned for the SQM and SQS to be added to your Aeroplan account. SQM and SQS are not redeemable towards Aeroplan rewards and only count toward Aeroplan Elite Status qualification. SQM do not count towards Million Mile Status. Supplementary Cardmember(s) are not eligible to receive SQM or SQS through this benefit; however, all eligible spend by Supplementary Cardmembers will count towards the Basic Cardmember's spend. Basic Cardmembers may earn unlimited bonus SQM and SQS during an Aeroplan Elite Status qualification period. In the case of returns, credits or adjustments that reduce the amount of net purchases below a previously achieved threshold for which SQM and SQS was not previously awarded, you may not earn the SQM and SQS, but if you were awarded SQM and SQS, the amount deducted could result in you having negative net purchases and you will have to make purchases if you wanted to bring your net purchases to zero before earning towards your next SQM and SQS. All Aeroplan Elite Status conditions apply and can be reviewed at [www.aircanada.com/elite-termsandconditions](http://www.aircanada.com/elite-termsandconditions).
